## The Murder

At 9:45pm, Jennifer, a hotel worker, called the police saying, " Mr.Coen was murdered!" She told Officer Dan, "Someone suspicious came into the White House Hotel and went right up to Mr. Coen's room."Officer Dan, a smart detective, and Officer Eli, his young partner said, "We need more information." Jennifer said, "There was a worker coming out with Mr Coen's room with his service uniform covered in blood. Come to the hotel at 93rd Street and Broadway and find out what happened!"The officers said, "We'll be right there."At the front desk of the hotel, Jennifer greets the detectives. Then she takes them to Room 5B and points to floor and says, "Look, that's Mr. Coen's phone, the person who was murdered. " Officer Dan says, "That could be a clue if we can get any DNA or fingerprints off it. "Officer Eli picks up the phone and asks Siri, "Who am I?" Siri replies, "You are Mr. Coen."They asked Jennifer, "Which way did the murderer leave and did it look like he stole anything?"Jennifer said, " He walked off south and then his car went North."Officer Dan asks, "What type of car was it?"Jennifer states, "It was a black Suburban."Officer Eli, goes on the walkie talkie and says, "Alert all cars! Look on the North Side of the city. Look out for a black Suburban!"Officer Shirley calls and says, "There is a black Suburban speeding with the driver wearing a White House Hotel uniform." She calls for backup as she is chasing the black Suburban. The murder goes faster but he is blocked in both directions by police cars with their sirens running. "You are under arrest for murdering Mr. Coen, " Shirley yells from the speakers in her car. The murderer surrendered to the police. His name is Jack and he is in prison for 40 years so you kids don't worry! He's locked up real good...
