

Julian

Julian is helpful and is not always truthful. Julian tells a lie when he is going to get in trouble or is scared. When Julian is bored and his dad doesn't like it, he says he is on a hike and that's a lie. Julian is helpful. In The Series Julian tells he helps his father make pudding for his mother. These are Julian's personality traits.

Maya

Julian can tell white lies, but can also be helpful. Julian tells white lies. Julian tells Gloria that his dad is making him work all summer but really Julian is just afraid of riding a bike with Gloria. Julian is helpful. Even when Julian's dad found out he was only working because he was scared of riding a bike he did the work anyway. There are two sides of Julian.

Gloria is understanding and friendly. Gloria is nice and friendly. When Julian told the truth to Gloria about being scared of falling off of the bike, Gloria understood how he was. She told him it was ok to be scared and helped him ride his new red bike. Gloria is friendly. When Gloria got a new bike she offered it. Julian wanted a turn riding her new blue bike. Friends share things with each other!!

Akiva

Gloria

Gloria is helpful and Clever. she tricked Julian into believing that she can move the sun. She used mirrors to reflect sunlight into Julian's room. Gloria is helpful. When Gloria found out that Julian was scared to ride a bike, she decided to help him get over his fear. I want to be friends with Gloria.

Huey

Huey is helpful and friendly.
Huey is really helpful. In the book Julian's
Glorious Summer Huey helped out with
Julian's chores even though he didn't
have to. Huey is friendly even though
Gloria is Julian's best friend, Huey
still has fun with her. Gloria and
Huey rode on their bikes together.
These are just a few personality
traits for Huey.

IKE

IKE

Huey

Huey is forgetful and nice. Huey is forgetful.
When Huey, Julian and gloria went to his dad's auto shop
p they agreed not to say were bored but instead
Huey forgot and said were bored. Huey is nice.
Huey saw Julian was working in the garden and he
helped him when he could have been doing
anything else. Huey is just a normal kid.

Gloria

Gloria is understanding and imaginative. Gloria is understanding. In Julian's story's summer Julian told Gloria he was too scared to ride a bike she was understanding and said it's not bad and showed him her scraped knee. Even though she got hurt she still got back on the bike and taught Julian. Gloria is imaginative. In story is that Julian tells Gloria and Julian made a kite and Gloria said to put wishes on it and they would come true. This is why I love Gloria.

Huey

Huey is gullible and nice. Huey believes everything Julian says. Julian said to Huey that when you open a catalog, cats jump out and do your gardening for you. Huey believed that. Huey also helped Julian a lot. When Julian was working on chairs at his house, Huey helped him pick weeds in the garden. Huey is so nice, it is easy to trick him.

Huey Jory

Huey is gullible and helpful.

Huey believes everything Julian says.

In catalog cats Huey is gullible, because he believes that cats jump out of the catalogs.

Huey is helpful. When Julian was working in the garden, Huey helped him pull the weeds.

Huey is just a normal kid.

Gloria

Renada

Julian's friend Gloria is clever, and understanding. She is clever, because she tricked Julian into thinking she moved the sun, by using a mirror and a flashlight. Gloria is also understanding. She is understanding because she doesn't laugh at Julian for being scared of bikes. She says it is okay to be scared of bikes, and teaches him how to ride one. Gloria is a good friend.

Julian

Julian is a ~~liar~~ but also a ~~helpful~~ kid. The

evidence that makes Julian a ~~liar~~ is

that Julian said "we are going on a

hike but they were really board and wandering

around. Julian is also a helpful kid. Julian

was helpful when he helped his dad

make the pudding for his mom. Julian

is a kid I could be friends with.
