“תשובה וצדקה ותיבה וצדקה וצדקה וצדקה וצדקה וצדקה וצדקה וצדקה וצדקה”

Why are all 3 of these steps (teshuva, tefilla and tzedaka) important in order for us to become forgiven for sinning?

The epolgie should be complete because if you sikreme at your mom that is a rull in the 10 cmamnts, if you just epoligies to g-d for braking a rull your mom also needs a epoligei from you.

What are some other things we can do in order to prepare ourselves for Rosh Hashana, and to show G-d that we are committed to becoming better people this year?

We could start getting redie by being nice to our friends, and start respecting g-d and other people and start the year sweet.

Please draw an illustration that represents this saying:

I am vary sorry.
