

Name: Ariel

"לשאת ולטות על הרע נחמד. לומר שיש לי פגמים"

Why are all 3 of these steps (teshuva, tefilla and tzedaka) important in order for us to become forgiven for sinning?

If we don't say sorry we might ^{have} a black hole meaning you might feel really really sorry and then other people might be mean to you but if you do say sorry you can be friends ^{again}

What are some other things we can do in order to prepare ourselves for Rosh Hashana, and to show G-d that we are committed to becoming better people this year?

Writing what we did wrong and throwing it out is a way to show that we want people to forgive us.
