

Yaakov / Israel and Esau

Once upon a time there were 2 brothers
and They got very upset at each other 11
years ago because Yaakov stole something
very important to esau but that's not our
story

So our story starts out, Yaakov is sending messengers to esau to spy on him and the messengers tell him oh no Esau is coming with strong men and he has 400 of them

After that Yaakov tries everything to stop him like gives him all sorts of gifts then him and his 4 wives and 11 children evacuate their camp and somehow Yaakov gets abandoned.

And suddenly a man comes out of the shadows and wrestled Yaacov

While Yaakov wrestles the man he dislocates his leg

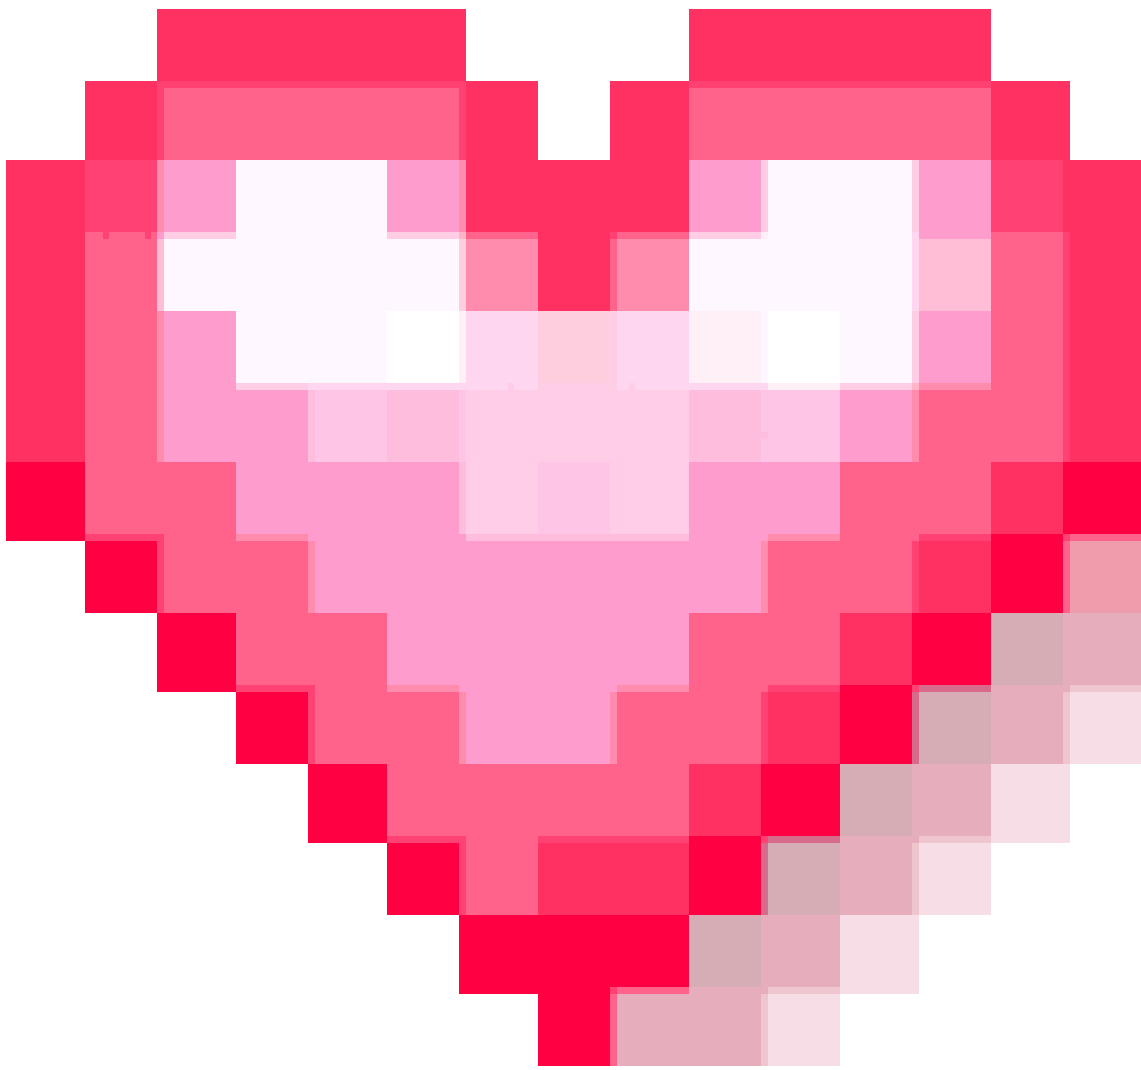

Then Yaakov beats the man and the man changes his name to Israel

Just saying that this happens way in the future it's the best picture I could find

Israel and Esau finally meet and Yaacov puts the people in order from most important to least. After that they hugged and kissed

THE END
