Topic 3

Nex. to Brazil there is a country named

a. SS Willow.

A lot of people in Willow eat fruit.

i. Detail

They eat it, because there are lots of fruit trees.

ii. Detail

They also eat it because it is easy to find.

iii. Detail

Another reason is because its healthy.

b. SS

In Willow most people wear tank tops and shorts.

i. Detail

people wear it because its always hot there.

ii. Detail

Sometimes if it gets cold people wear pants or long sleeves.

iii. Detail

At most 100 people in Willow have jackets.

c. SS

People in willow live in
house made of wood with little holes in them

i. Detail

they live in house made of
wood because its really easy to find.

ii. Detail

They put the holes is so
a little breeze can come in.

iii. Detail

Most of them also have
back yards.

Different parts of willow have
different plants.

An example is Weeping Willow lake,
because weeping willow lake has weeping
willows all around it. Another example
is Autumn falls, because in fall autumn
falls has flower petals flowing down
the falls. one more example is leave
lake, because leave lake always has
leaves in it. Willow is known for its
nature.
