# What Happened Next?

chapter: 5

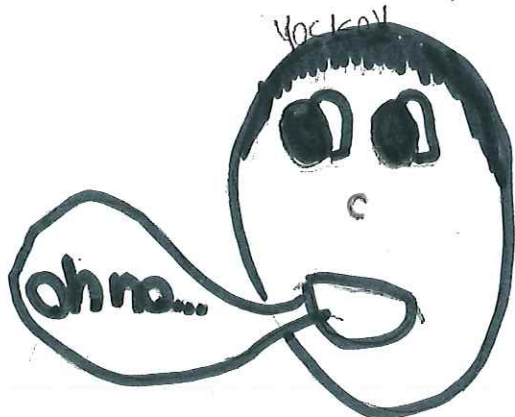

The messengers are going to Asov's land.

Once the messengers got to Asov's land they start telling him about everything Yockov owns.

They come back and tell yockov that Asov says "to meet you with 400 men." Yockov doesn't like that.

Yockov splits all of his stuff in half and makes them into 2 camps.

He did this, because 'If ASov comes to the one camp and strikes it down then they remaining camp shall survive'.

After making his plan Yockov Prayed and prayed and prayed and prayed...

Yockov sends his camps across the ford river, but not before saying 'when my brother Asov meets you and asks you saying 'Whose are you, where are you going and whose are these that are before you? you shall say 'Your servant Jacobs. It is a tribute sent to my lord, to Asov, and behold he himself is behind us''

After they left Yockov was left alone.

Until...

Guy or Him came.

So they wrestled until daybreak.
