

The Apprentince

At 10 years old, Pepin gets up in the morning.

8 years later

that is how Pepin's life went from ten to eighteen years old.

That was what Pepin did as a Journeyman. For eight years he did this. At one point he found a guild that Pepin was quite fond of...

The Master

Joshua Feld

It took him months with the amount of time pepin had, but one day pepin finally finished his masterpiece.
