"ישראל ישיגה תענית נאמלי ביש צדיקה"

Why are all 3 of these steps (teshuva, tefilla and tzedaka) important in order for us to become forgiven for sinning?

They are all important because you should respect G-d and for other people. G-d will be angry if you do not respect other people and G-d made a rule that you have to respect others.

What are some other things we can do in order to prepare ourselves for Rosh Hashana, and to show G-d that we are committed to becoming better people this year?

You can make a list of people that you should say sorry to and if you are in Israel you can make a copy and read it in the cotel so G-d can read it.
