Big Nate - By: Lincoln Peirce

3-6-18

Dear Lincoln Peirce,

I like Big Nate because: It's fiction but it sounds non fiction.

Something I can connect with

Big Nate is that we both lost some-

thing we like. I lost one of my

dolls. Nate lost his skateboard.

The characteres are different than each other. I also like that they all come from different places. I

Also have a quetion is the person who come is from New York is she the only one.

Dear Coco Simon,

My favorite character is Mia I like Mia because she designs really pretty cupcakes. I like Katie because she is really good at baking cupcakes. I like Emma because her house is crazy with three boys in there house and I have 2 sisters always yelling! I like Alexis because she is always organized and so am I!
